Tuscany - Cortona

Tuscany has always been one of the most fascinating and beautiful places on Earth, with its culture, landscapes, wine and food. A postcard perfect setting where you can indulge in all of the simple pleasures of good living.

This is one of those places that must be seen at least once in a lifetime, moving through the soft rolling hills, lines of cypress trees, endless vineyards, orderly olive groves, cities of art, majestic castles, and to see in person the layers of history that have formed over the centuries. All of this and more awaits you in Tuscany.

A perfect representation of this all is the charming and noble town of Cortona, dominating the landscape of the Valdichiana valley, bordered on the horizon by soft hills and the wide expanse of Lake Trasimeno. Made famous worldwide thanks to the book and then the movie “Under the Tuscan Sun”, in Cortona you can fully savor the true soul of Tuscany.

With a history that spans across time, dating back to the Etruscan era, this Medieval hill town, with numerous restaurants, wine bars and cute boutique shops, is simply magical. Thanks to its strategic position, it is the perfect base for exploring the surrounding area, visiting beautiful places like Florence, Siena, Assisi, Montepulciano, Chianti and many more.
